Attention: Claims Division

Gentlemen:

STATOTHR

Please refer to my letter of 3 June 1953 in which I set out the opinion of this office to the effect that we deemed your insured, [redacted] liable to the Government in the amount of \$37.00 for damages incurred by a Government vehicle in an accident with a car driven by your insured which occurred on 14 March 1952. In that letter it was requested that your check in the amount of \$37.00, made payable to the Treasurer of the United States, be forwarded to this office or, in any event, that we be advised of the action taken by you with regard to this claim.

To date I have received no reply to my letter. Consequently, this letter is to inform you that, if no answer to this letter is received within thirty days from this date, I shall forward the claim for damages to the Government vehicle to the General Accounting Office, for possible offset against monies due your insured by the United States, or for further forwarding to the Department of Justice for appropriate action on behalf of the Government.

Very truly yours,

[redacted]

Office of General Counsel
